births and where currently affected
individuals are well supported"*

FASD Summer Camp

Lakeland FASD Summer Camp

It is important for all children to have camp opportunities and positive experiences without the fear of rejection. Join the excitement this summer at Lakeland FASD Summer Camp!

It is our long term goal that our children will discover positive life experiences and develop social skills.

The camp is designed to offer opportunities to encourage new hobbies and build positive support systems. The children will be involved in a variety of crafts and activities including water sports and exploration of the environment, which will be both entertaining and educational. Through routine and repetitive responsibilities, we will be teaching daily living skills.

It is our focus to provide a fun and safe environment where children with FASD can be themselves.

Benefits of Attending Camp

Children attending the Lakeland FASD Summer Camp will have the fantastic opportunity to meet others and create life long friendships. They will discover new and exciting hobbies while learning important life skills. Above all, children attending camp will have a positive and enjoyable camp experience!!!

Key Activities

Will include Horse Painting/Grooming, swimming/water activities, sports and games. We will also do arts and crafts, nature adventures and cooking

Eligibility

- Diagnosis of FASD
- Can be from anywhere in Canada
- The Lakeland Centre reserves the right to refuse to accept any child

We Look forward to seeing you at the Lakeland FASD Summer Camp!

About the Camp

The Lakeland Centre for FASD will be hosting 6 week long camps between July and August, 2010. The camp will be held at Camp Cooida on Ethel Lake just outside of Cold Lake, Alberta.

Camp fees are \$500.00 per child, though families may consider seeking assistance through Family Support for Children with Disabilities or their local services clubs (i.e. Lions Club). The centre can assist with this.

Children who wish to attend must be registered with the Lakeland Centre for FASD. **Applications will be accepted on a first come first serve basis until camps are full.**
