<http://www.asantecentre.org/training.html>
 - ❖ Multidisciplinary Diagnostic Team Training

Manitoba

4. Manitoba FASD Centre
<http://www.fasdmanitoba.com/FASDBrochure.pdf>
 - The Manitoba FASD Centre provides leadership to the Manitoba FASD Network that includes training for coordinators and developing multi-disciplinary teams throughout the province.

Diagnostic & Assessment Team Training

American

1. University of Washington, FAS Diagnostic and Prevention Network, Center on Human Development and Disability
 - ❖ [2-Day FASD Diagnostic Team Training](#) The 2-Day FASD Diagnostic Training for Interdisciplinary Teams provides a broader overview of the *interdisciplinary* approach to screening, diagnosis, and prevention of FASD using the 4-Digit Diagnostic Code. The 2-Day Course provides you with direct interaction and instruction from the FAS DPN Diagnostic Team. Trainees directly observe two actual FASD diagnostic evaluations. The 2-Day Training is intended to compliment the Online Course.
 - ❖ Trainings are held weekly on Thursday-Fridays at the University of Washington and are scheduled at the request of the trainee(s).
2. Semel Institute Western Regional Training Center for Fetal Alcohol Spectrum Disorders, Continuing Medical Education for FASD's
<http://www.semel.ucla.edu/fas/education/cme>
 - ❖ <http://www.semel.ucla.edu/fas/education/presentations>
“FASD’s: Identification and Diagnosis”
PDF of presentation, accompanying notes & references
3. Fetal Alcohol Syndrome: Guidelines for Referral and Diagnosis, National Center on Birth Defects and Developmental Disabilities, Centers for Disease Control and Prevention, Department of Health and Human Services, July 2004 (American)

American

Online Diagnostic Training

1. University of Washington, FAS Diagnostic and Prevention Network, Center on Human Development and Disability
 - ❖ 4 Digit Code Online Course
<http://depts.washington.edu/fasdpn/htmls/online-train.htm>
 - This Online Course provides more in-depth instruction on how to use the FASD 4-Digit Diagnostic Code and FAS Facial Photographic Analysis Software. The course is self-paced and can be taken in the convenience of your own office/home. The course provides detailed training and practice sessions with self-assessment to confirm your level of competency. It also includes video segments of an actual FAS Diagnostic Evaluation
2. Semel Institute Western Regional Training Center for Fetal Alcohol Spectrum Disorders, Continuing Medical Education for FASD's
<http://www.semel.ucla.edu/fas/education/cme>
 - ❖ Identification, Evaluation and Diagnosis of FASDs
<http://www.fascme.com/c101.html>
3. FAS Photographic Analysis Software
<http://depts.washington.edu/fasdpn/htmls/face-software.htm#softwarevideo>
 - a. The Course was developed by Susan J. Astley, Ph.D. and the University of Washington FAS DPN Clinical Team. This course was developed in partnership with UW Extension Distance Learning Division. Introductory video and course evaluation available on the website.
4. Palpebral Fissure Length: FAS Facial Photographic Software Accuracy, SJ Astley.
<http://depts.washington.edu/fasdpn/pdfs/pfl-software-accuracy.pdf>

Online FASD Education Programs

Online FASD Education Programs

Canadian

1. Post Secondary Education in Fetal Alcohol Syndrome @ University of Calgary
<http://www.ucalgary.ca/newcurrents/Vol6.6/FAS.html>
 - The Community Rehabilitation and Disabilities Program at U of C offers a post-diploma program to students working in the field of rehabilitation who want to complete a degree.
2. Lethbridge College, Alberta
<http://www.lethbridgecollege.ca/program/fasd>
 - Certificate in Fetal Alcohol Spectrum Disorder Education
 - 1 year duration
3. Fetal Alcohol Spectrum Disorder Learning Series, Alberta Children and Youth Services

6. FASE OUT- Fetal Alcohol Spectrum Outreach Project
<http://www.faseout.ca/eng/training.htm>
 - Various training modules

American

1. University of Alaska at Anchorage, Arctic Fetal Alcohol Spectrum Disorders Regional Training Centers Online Course

<http://www.uaa.alaska.edu/arcticfasdrtc/training/online/index.cfm>

- ❖ The Arctic FASD RTC offers a series of three intensive one-credit courses during the spring semester each year. These courses are offered in a distance delivery format (online) through the Department of Psychology at the University of Alaska Anchorage.
- ❖ The course content covers FASD-related topics and is based on the Centers for Disease Control and Prevention's [Fetal Alcohol Spectrum Disorders Competency-Based Curriculum](#).
- ❖ A copy of the course overview can be found [here](#) (PDF). Course descriptions can be found [here](#) (PDF).

2. Substance Abuse and Mental Health Services Association- FASD Center for Excellence

<http://www.fasdcenter.samhsa.gov/>

- ❖ FASD- The Course
<http://www.fasdcenter.samhsa.gov/educationTraining/courses/FASDTheCourse/index.cfm>
 - FREE 7 module, self paced, online course
 - After completing all 7 modules, you may download and print a certificate of completion (7hrs)
- ❖ Fetal Alcohol Spectrum Disorders: Curriculum for Addictions Professionals (CAP) Level 1
<http://www.fasdcenter.samhsa.gov/educationTraining/courses/CapCurriculum>
 - FREE 6 Module, self paced online course
 - Joint project of the Substance Abuse and Mental Health Services Administration (SAMHSA) Fetal Alcohol Spectrum Disorders (FASD) Center for Excellence and the National Organization on Fetal Alcohol Syndrome (NOFAS)
 - Knowledge-based course provides overview of historical findings related to alcohol use by pregnant women, identification and diagnosis of fetal alcohol spectrum disorders, prevention and treatment methods, and legal issues
 - After completing all six competencies, you may download and print a certificate of completion.
 - This curriculum is intended for social workers, certified addiction counsellors, psychologists, psychiatrists, and others in the treatment and recovery field

- ❖ Fetal Alcohol Spectrum Disorders: Curriculum for Addictions Professionals (CAP) Level 2

Selected presentations in research

@ Third International Conference on Fetal Alcohol Spectrum Disorder: Integrating Research, Policy, and Promising Practice Around the World: A Catalyst for Change, May 11-14, 2009, Victoria Canada:

Workshop Presentation:

- The Preschool Assessment in FASD, Hanlon-Dearman, A., Proven, S., & Fjeldsted, B.
http://www.interprofessional.ubc.ca/Brochures/March%2014_Dearman_Preschool%20Assessment%20in%20FASD.pdf

Other

Poster Presentation:

- Occupational Therapy: Assessment of the Sensory Motor Domain in FASD, Brenda Fjeldsted
- Speech Language Pathology Assessment of the Communication and Social Communication Brain Domains in FASD, Shelley Proven
- Hearing Impairments in young children with FASD in Manitoba, Shelley Proven

3. Canada Northwest FASD Partnership Conference Building on our Strengths: Stone by Stone. May 2008, Banff, Alberta

- *Strengthening Circles of Support: Before, During and After Diagnosis* Dorothy Schwab, Shelley Proven, & Brenda

4. The Second International Conference on Fetal Alcohol Spectrum Disorder: Research, Policy and Practice Around the World, Victoria, Canada. 2007

- Training for FASD Diagnostic Teams: The Clinic for Alcohol & Drug Exposed Children (CADEC) Experience, Cox-Millar, M, Chudley, A.E., Hanlon-Dearman, A., & Schwab, D.
- A Clinical Partnership Model of Brain Domain Assessment for Diagnosis and Follow-up in FASD Hanlon-Dearman, A., Kircher, A, Schwab, D, Penner K, Proven, S, Fjeldsted, B & Wazney-Prendergast, S.
- The Role of the Speech Language Pathologist (SLP) and Occupational Therapist (OT) in Fetal Alcohol Spectrum Disorder Assessment, Intervention and Follow-up Fjeldsted, B & Proven, S
